

# HELPER MATERIAL: Student Residence Permit in Turkey Application Timeline

#	Phase	Duration	What Happens	Status
1	Document Preparation	4-8 Weeks	 Gather your passport, biometric photos, university enrollment proof, financial means, residence proof, and mandatory health insurance. Ensure all documents meet official requirements.	
2	Online Application & Appointment Scheduling	1 Day	 Complete the e-residence application form online via the Directorate General of Migration Management website. Schedule your mandatory in-person appointment.	
3	Waiting for Appointment	10-15 Days	 Await your scheduled appointment date. Use this time to double-check all original documents for completeness and accuracy.	
4	In-Person Appointment & Document Submission	1 Day	 Attend your appointment at the designated Provincial Directorate of Migration Management. Submit all original documents and pay any applicable permit and card fees.	
5	Application Evaluation	15-20 Days	 Your application and submitted documents are thoroughly reviewed by migration authorities. Additional documents or an interview may be requested.	
6	Permit Issuance & Delivery	1-2 Weeks	 If approved, your Student Residence Permit card is printed and dispatched via postal service to your registered address in Turkey.	

## Total Estimated Timeline: 2-4 Months

### Notes

- N1: All durations provided are estimates and can fluctuate significantly based on factors such as location, time of year, and the volume of applications.
- N2: Your passport must be valid for at least 60 days beyond the requested duration of your residence permit.
- N3: Students enrolled in Turkish state or foundation universities are generally exempt from the residence permit fee but must still pay the card fee and secure health insurance.
- N4: Obtaining a Turkish tax number (Vergi Numarası) is an essential preparatory step for opening a bank account and signing rental agreements. It can often be done online.
- N5: Always consult the official website of the Directorate General of Migration Management (Göç İdaresi Genel Müdürlüğü) for the most current document requirements and procedural updates.
